So
a real fire
day but look
always if you
glance

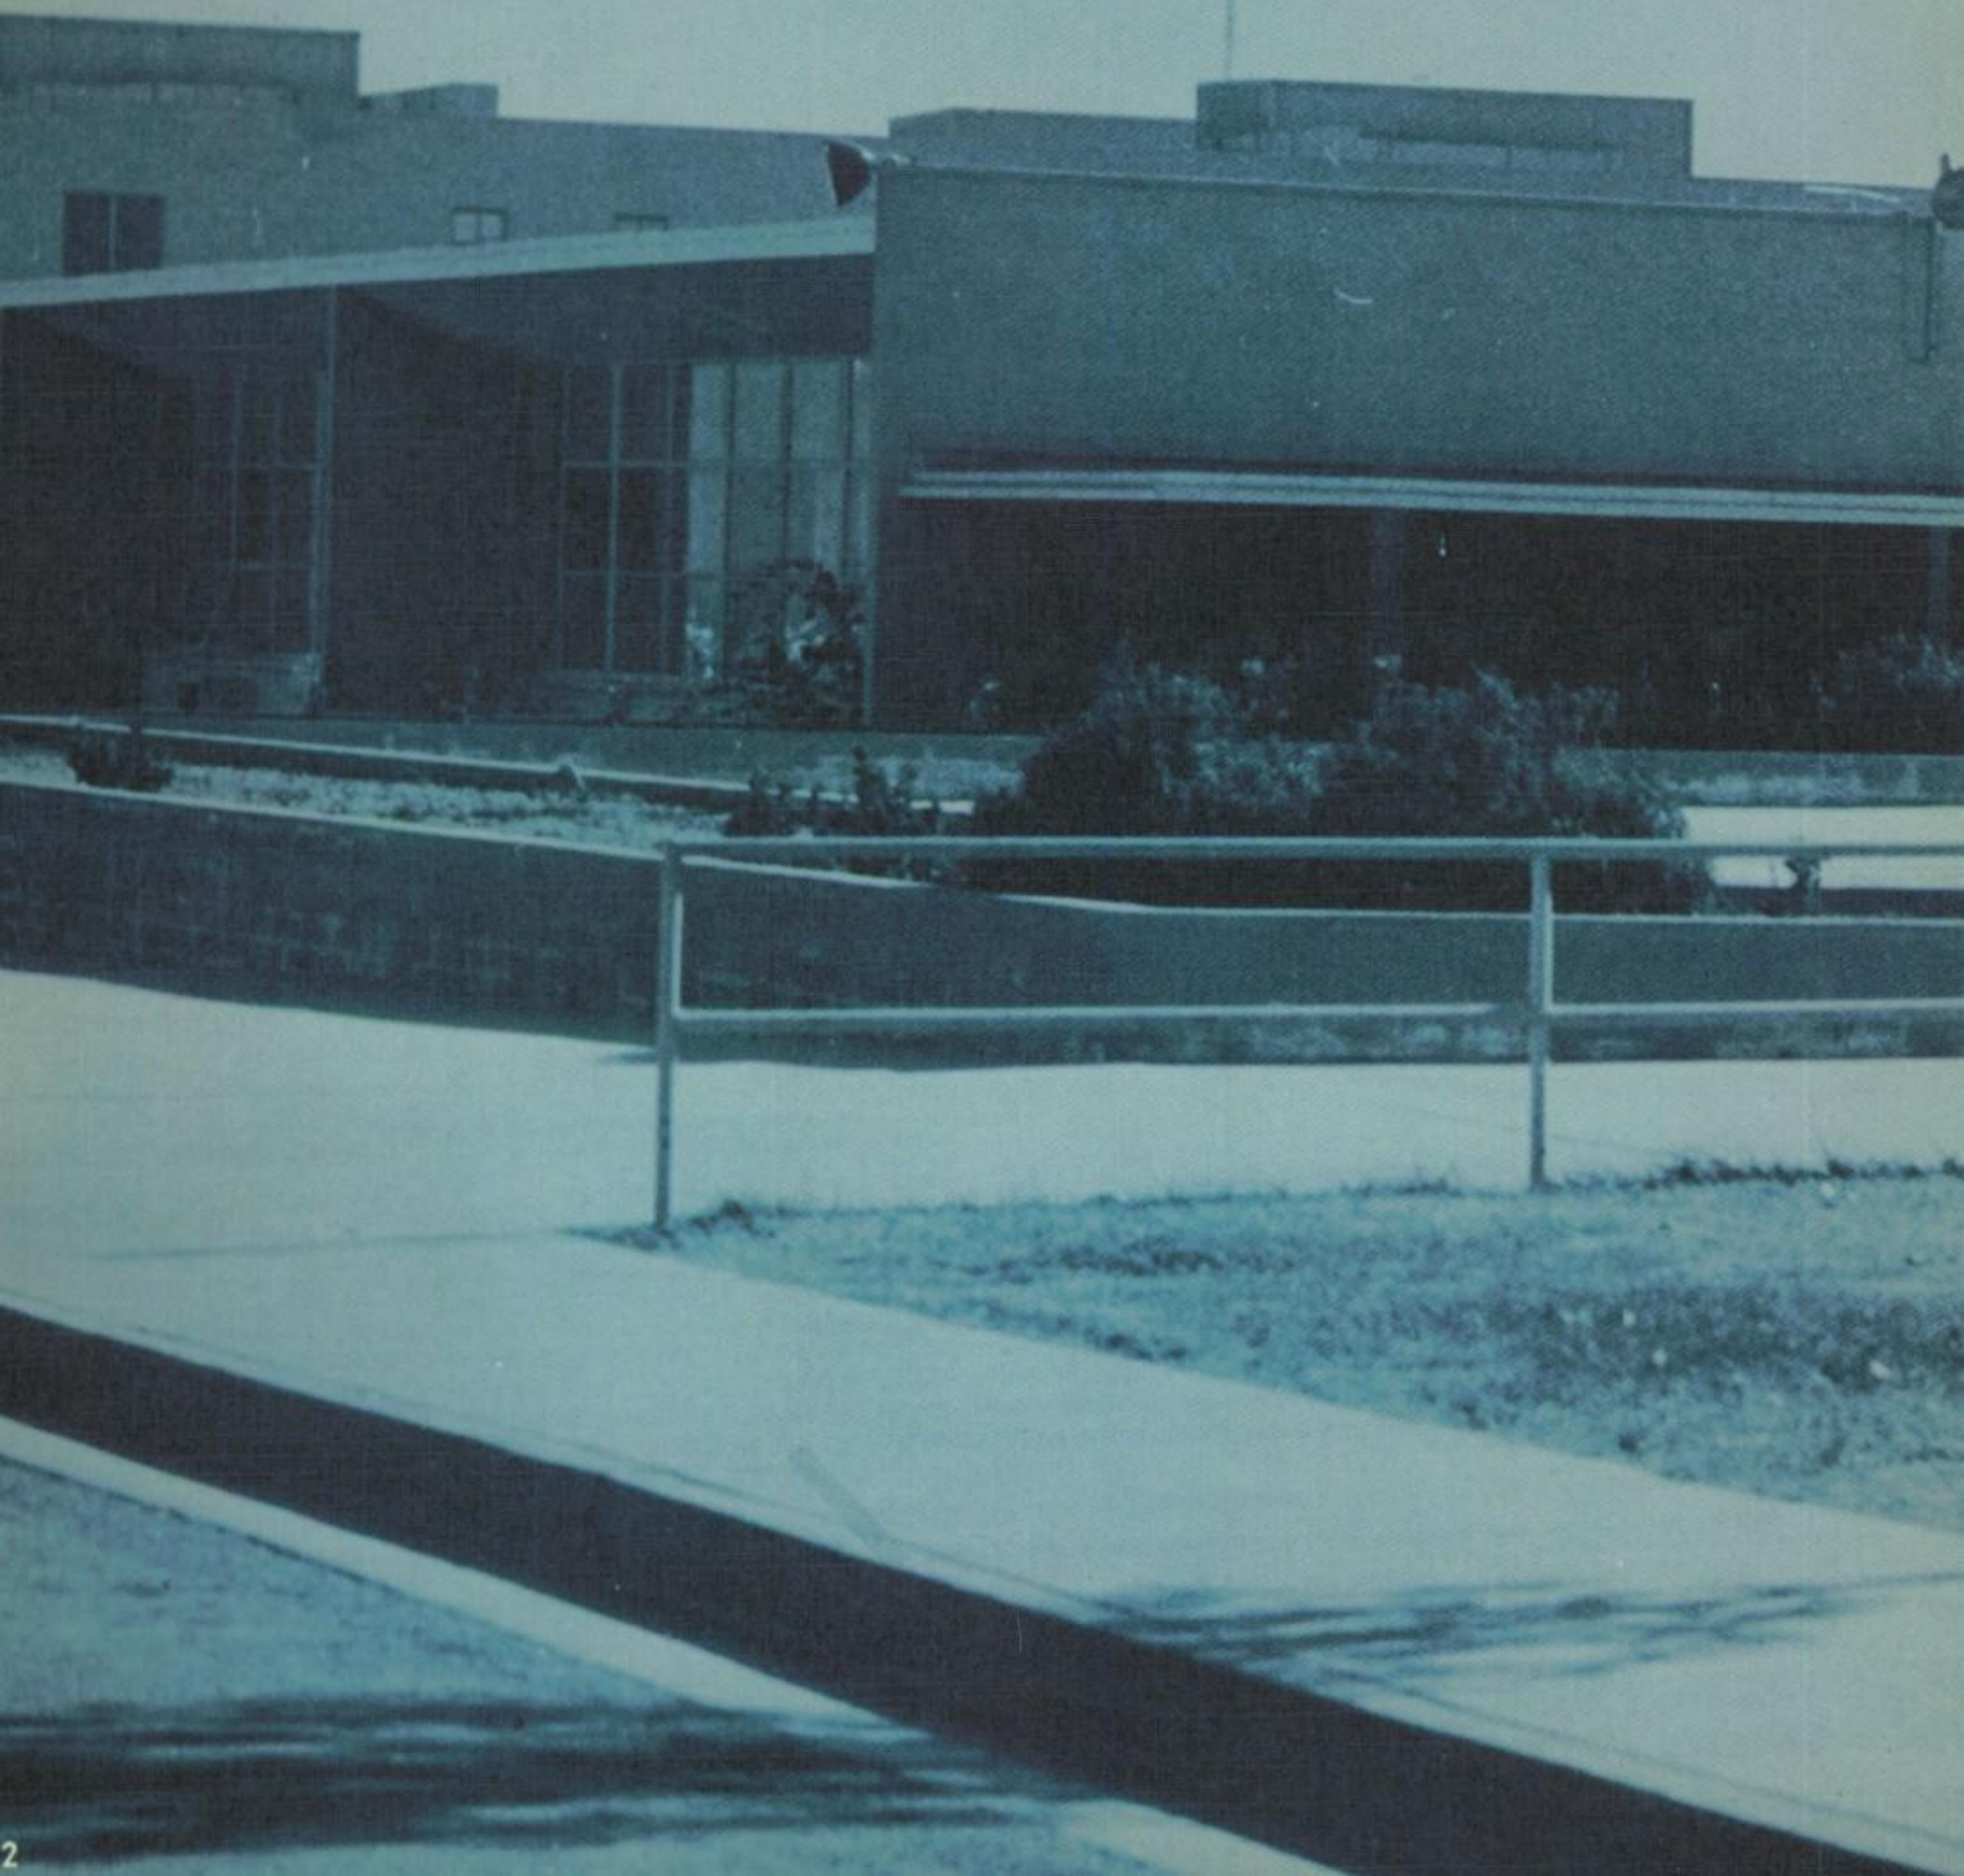

Our lives are centered mostly around our school world. Here we meet and make friends, attend activities and athletic events which we will remember for years to come. The days we spend here will soon be gone but they will leave us a lifetime full of memories never to be forgotten.

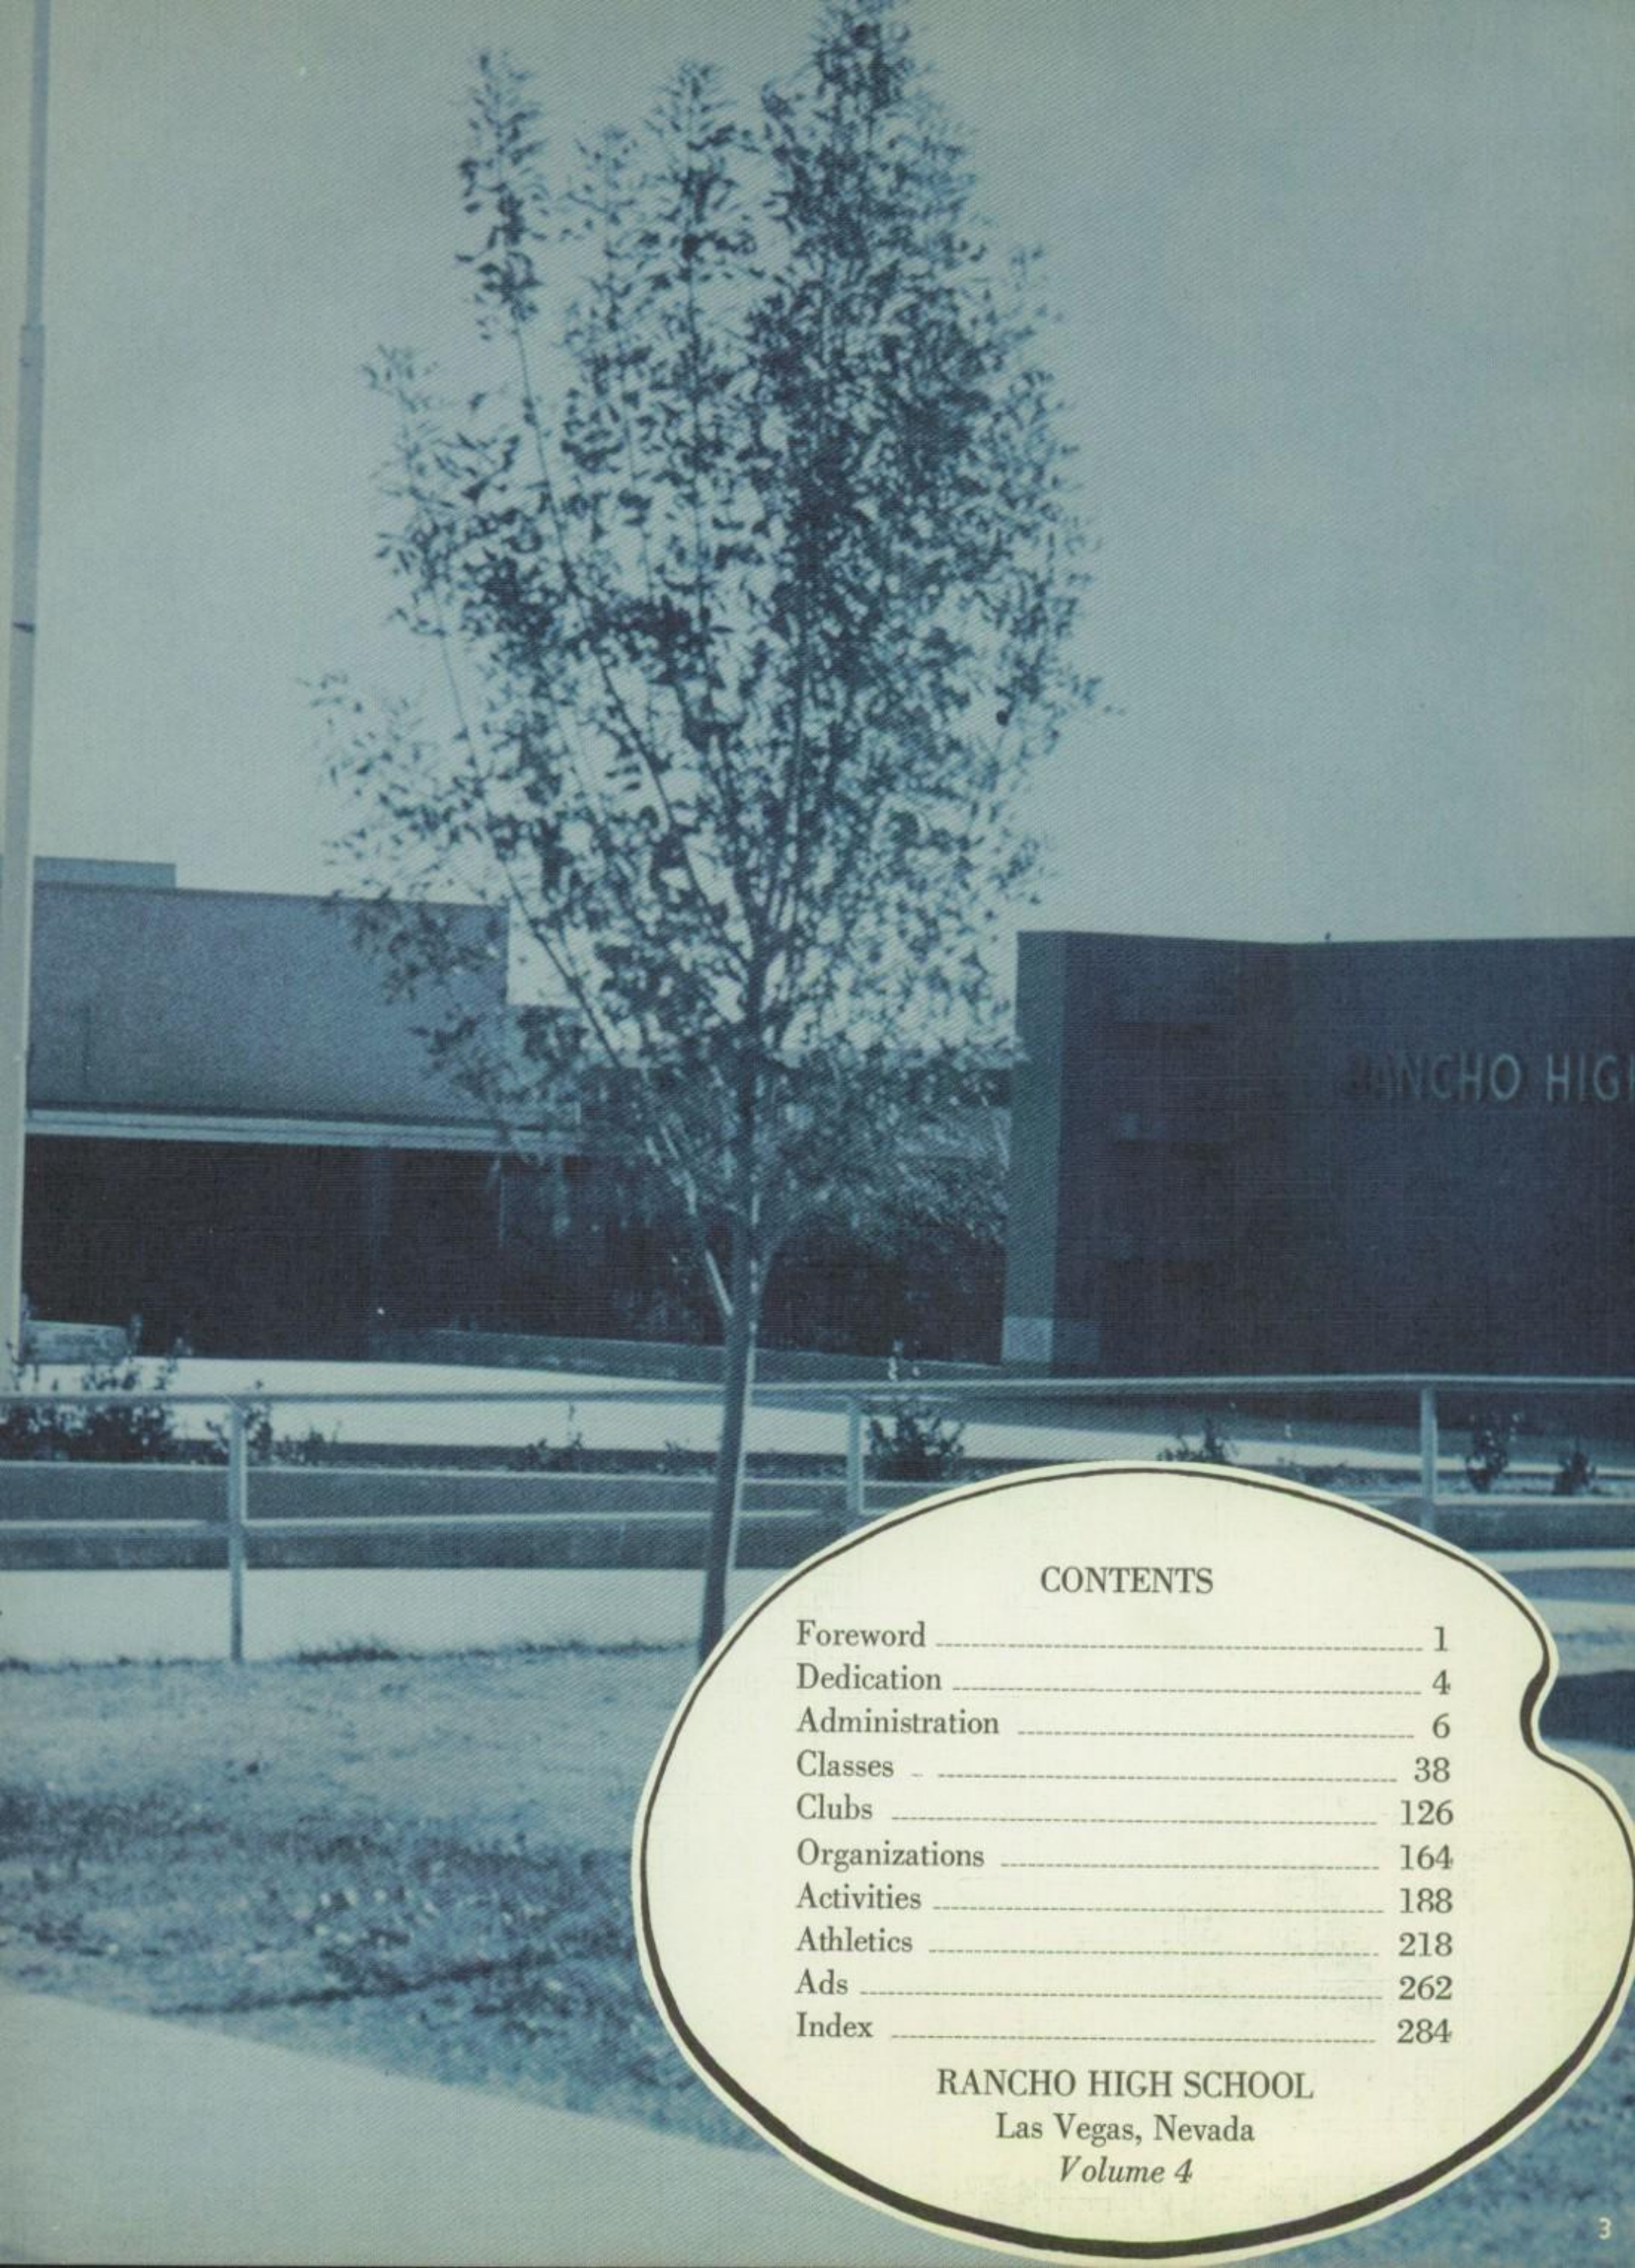

This book is only a partial record of the things we've done during 1958-59. We hope it will bring back pleasant memories; so won't you take time to reminisce with us—chuckle over amusing incidents—ponder over thoughtful ones—daydream about special ones.

There's bound to be something in here just for you—everyone is a part of "This Our World."

RANCHO HIGH SCHOOL
Las Vegas, Nevada
Volume 4

We, the 1959 El Sol Staff, wish to dedicate this annual to Mr. and Mrs. Jack Dailey in appreciation for their many contributions to our school. Campus favorites both in and out of the classroom, they have spent many hours helping us with extracurricular activities.

We feel that special tribute should be paid to them for composing the Rancho High School Alma Mater in 1956. The Alma Mater will live on as part of "This our World" after we have gone on to seek greater heights.

This is our way of saying "Thanks" for a job well done, Mr. and Mrs. Dailey.

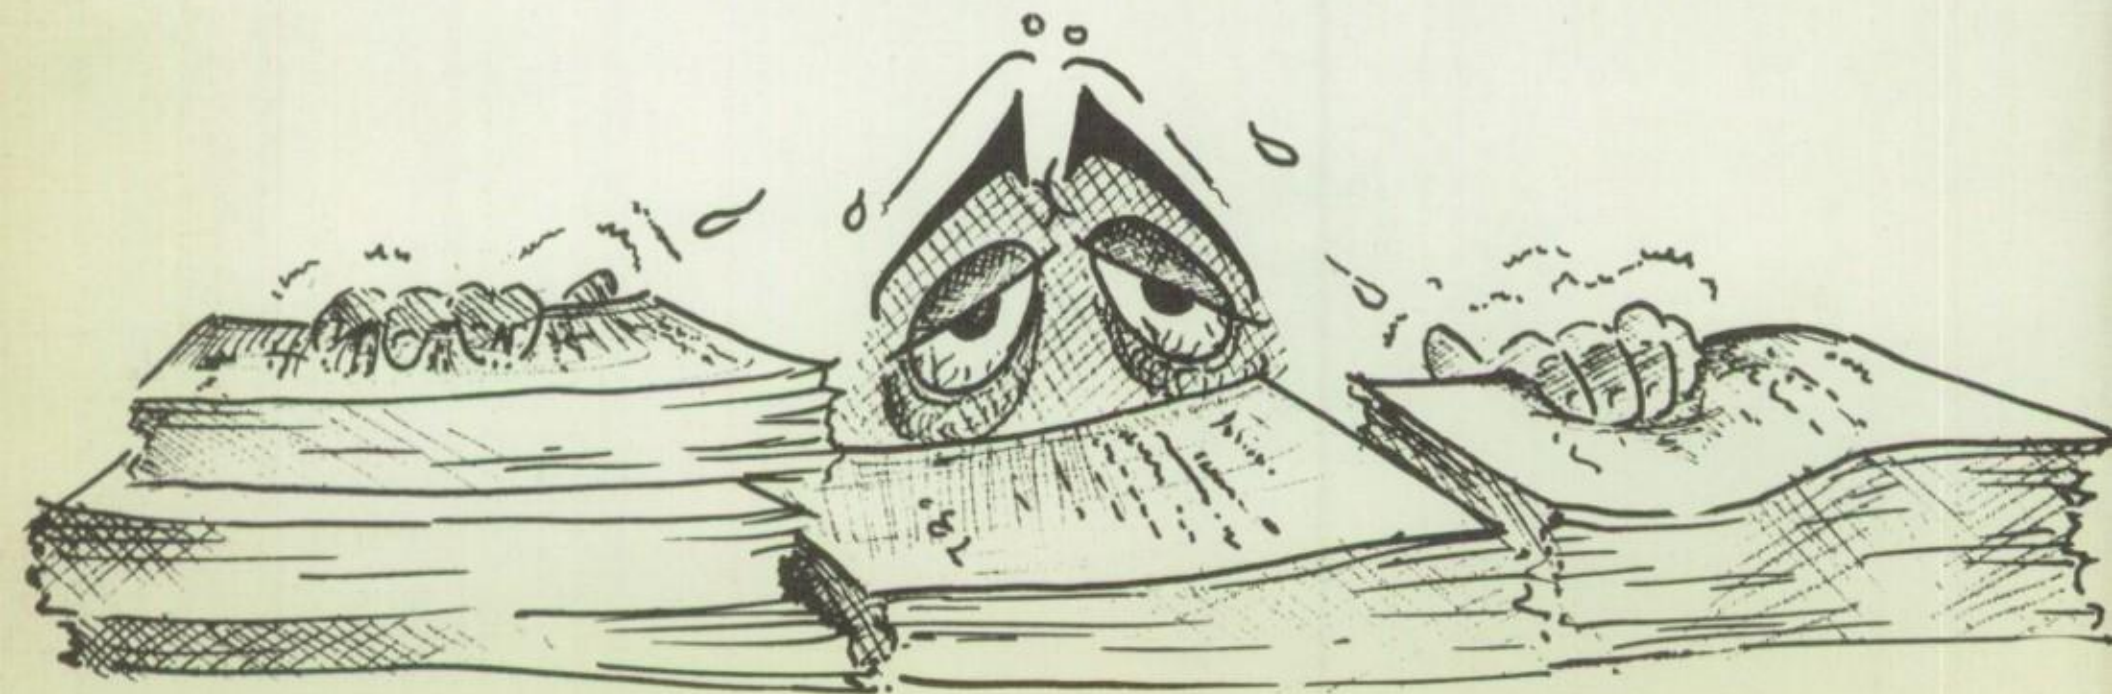

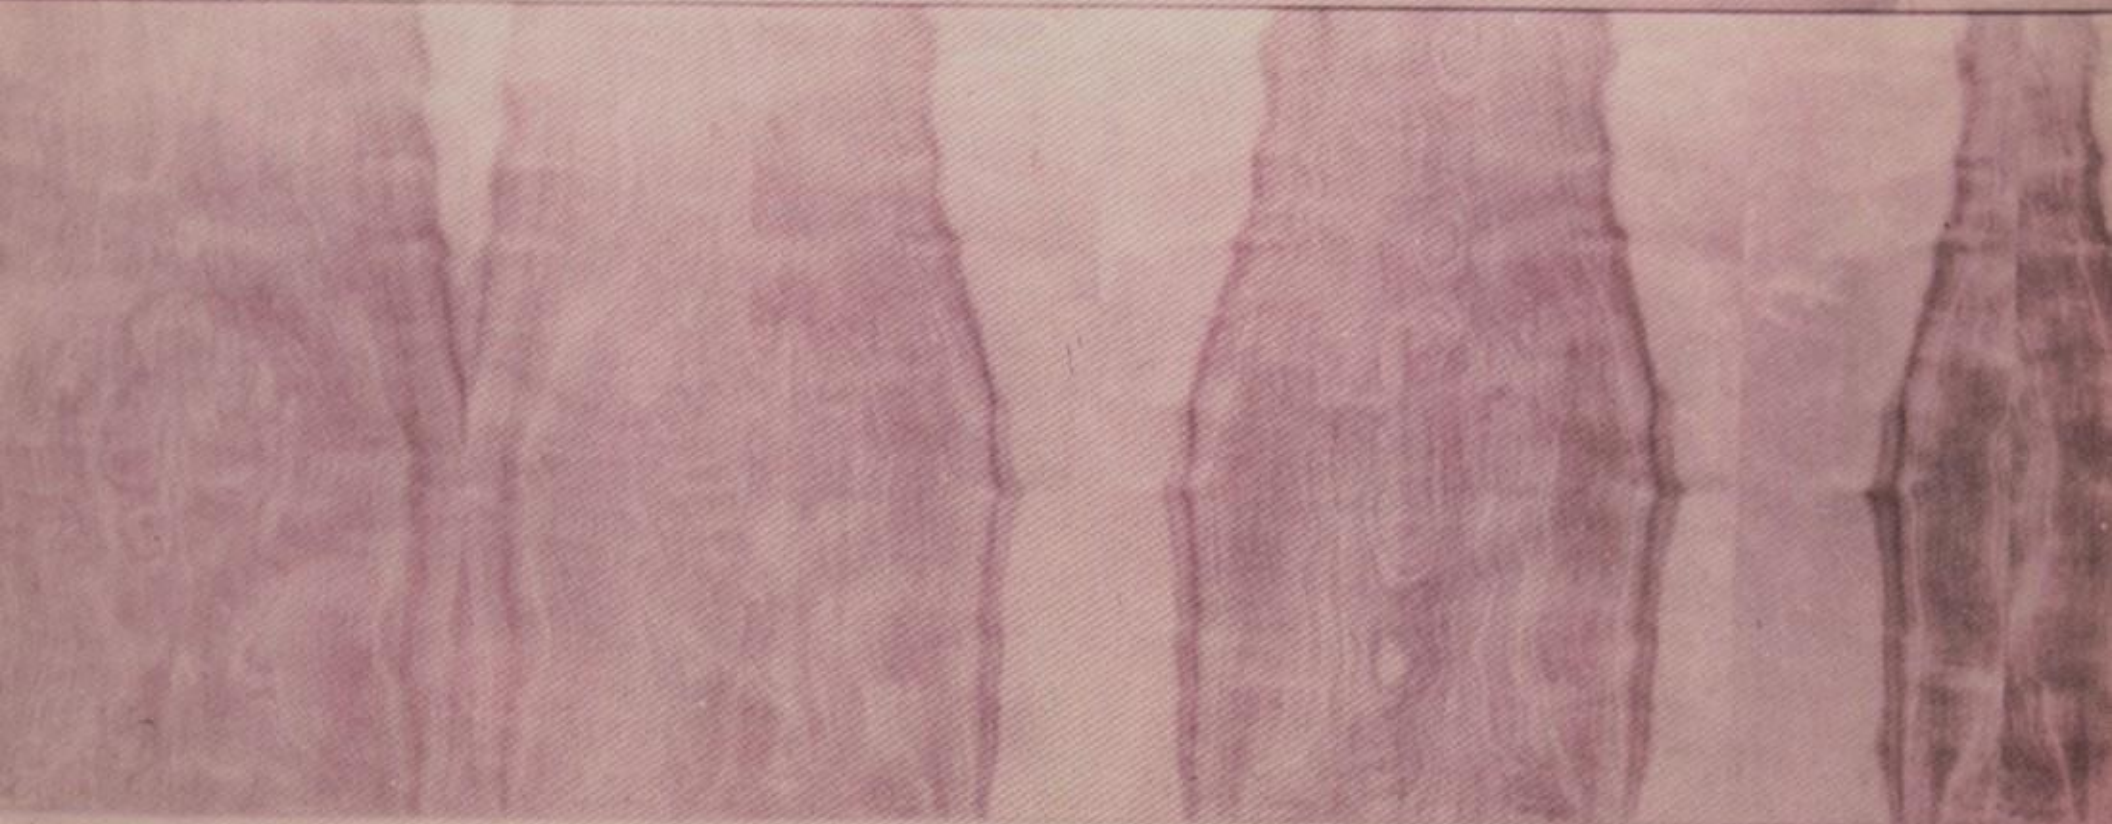

ADMINISTRATION

From the officials of the school board to the custodians . . . all are an essential part of our world. The principals and faculty would be at a loss without the help of the secretaries and office personnel. The decisions of the school board affect all of us. The principals spend many hours in conference so they may efficiently run the campus; and, of course, we couldn't do without the counselors who have the job of arranging schedules and listening to the many "problems" of students.

Each of these deserve a "thank you" from the entire school for the long hours they work to make school life as pleasant and profitable as possible.

DAVE RASMUSSEN, President

MR. SWAINSTON

STUDENT COUNCIL

The backbone of a school is the Student Body. In order to obtain any measure of accomplishment the Student Council representatives, selected by the Student Body, must work together. For this fine co-operation at Rancho High School I am very grateful. The office of Student Body President cannot be filled successfully by one person alone. It is the combined efforts of everyone connected with Student Council business. I am deeply indebted to the other Student Body Officers, the Student Council Advisor and the entire student body for this assistance.

The honor of serving as Student Body President of Rancho High School is one I will never forget. The fulfillment of our aims and endeavors will be realized because of the efforts of all.

Sincerely,

Dave Rasmussen

In his first year at Rancho as principal, Mr. Arenaz has become well known for the fine job he is doing and a campus favorite for his co-operation and fairness to the student body.

To the Class of 1959.

You are the first class to have completed four years at the present site of Rancho High School.

You have taken the leadership in many projects and have helped establish the foundations of our school life. You have contributed immeasurably to the success of many school functions, traditions and accomplishments.

The scholastic standards, school spirit, and morale of the student body have been on a high plane. You have done many good things which have gained the respect of the community. As you finish one step of your life to embark upon another, you can well look back on the last four years with the feeling of a successful high school career.

In giving my congratulations to all of you and in saying farewell, it is my hope that you will face up to the problems of tomorrow with the same ideals, spirit and determination with which you have overcome the many problems presented you during the past four years. My congratulations and best wishes to you all.

The classes—those complicated make-ups of all types of personalities, banded together in crowds, clubs, pairs or cliques, all with the need to belong—these are the backbone of "This Our World." Each person takes pride in his class, and each class is proud of its accomplishments. Rivalry is always high between classes. Seniors feel proud of their privileges; underclassmen dream of the day these same privileges will be theirs.

From the first day of school students of each class are caught up in the whirl of activities and classwork. Each person contributes to his class and each class in turn does its share to make up the calendar of events.

The Seniors, as the top class in school, were caught up in a whirl of fun, activities, and classwork from the first day of school to the last. Determined to make this year, their last, the best ever, they elected a very capable set of officers. They then started out by continuing the tradition of Senior Dress Up Day, followed by the Senior Playday and Mixer on Halloween night. Everyone then pitched in to work on the Senior Class Play and Christmas Ball, both of which were a tremendous success.

The rest of the year was spent busily by the class organizing an assembly, participating in Senior Recognition Day with the most memorable event of all being the Senior Ball. Then came the mad calendar of events preceding graduation, fitting of caps and gowns, making future plans, going to dances and parties. Finally comes Graduation and then all the Senior has left of his high school years are the many pleasant memories.

The Junior year started out with the ordering of class rings, followed by one of their projects to finance the Junior Prom. This was the annual Sadie Hawkins Dance which was enjoyed by the entire student body.

The Juniors then combined their efforts to take the award for the best float for Rancho in the Homecoming parade.

The most exciting event of their year was their Junior Prom and the crowning of the queen. They then looked forward to their next and final year when they could enjoy the privileges of the "almighty" senior.

The Sophomores in our world have done much to make Rancho what it is today. They have upheld the traditions of the school in every project that they have undertaken. Some of these projects were a homecoming float, the sophomore assembly, and the annual Sophomore Hop.

The sophomores, of course, engage in other things besides social activities such as studies. We see them slowly trudging to biology, geometry, and other familiar sophomore classes knowing that if they study diligently they can partake of the merits of knowledge.

The Freshmen, as their name implies, bring to our school each year a host of fresh ideas and spirit. One hundred eighty-one days lapse between the Freshman and Sophomore year. During this time Freshmen tolerate the Seniors, put up with the Juniors, and patronize the Sophomores. Along with this they are thrown into a new and exciting world. A world with one objective, to become the "superior seniors."

CLUBS

Everyone wants to belong, and in "This Our World" the desire is provided for. What are you interested in—bugs—dark rooms—pots and pans? You can find a club to join that will meet your every interest. The clubs are educational, fun and a service to the school and community. This type of socializing is a wonderful experience for students.

G.R.A. is another very active club for girls. They meet on Monday evenings and participate in sports which enables them to earn points toward their awards. Their many activities include volleyball, basketball, tennis, softball, bowling, badminton and track. Many active hours were also spent participating in tumbling and learning to square dance.

This year G.R.A. members also sponsored an assembly. They worked hard at making pom poms to sell at the game.

PEP CLUB

One of the busiest clubs on campus just has to be Pep Club. Their activities start the first day of school when the Co-op is opened to sell students school supplies. This club sponsors an annual Get-Acquainted Dance at the beginning of the year. They attend in uniform all the football, basketball, and baseball games in town and also take out-of-town trips. New uniforms were again the highlight of basketball season. New members were taken in twice a year. The club sponsors an assembly, a Sweetheart Ball, an awards banquet, and a Varsity "R" Party. Its members are kept busy all year attending weekly meetings, participating in money-raising projects for the club, supporting other school activities, promoting enthusiasm and school spirit. These girls must also keep their scholastic average high.

The Art Guild meets on Thursday nights,
The members large and small
Gather in their favorite room
To paint poster, stage, or hall

They make assemblies, draw the sets
And work from dusk to dawn
They scrub the floors and paint the doors
Mr. Peterson leads them on.

It really is an elite group
As you are sure to find
And if you think of joining it
I wouldn't change your mind.

You'll only have to bring a brush
A full five inches wide,
A baggy sheet that's guaranteed
To cover, itch, and hide.

The members may be wacky
But I cannot tell a lie,
I'm awfully glad I get to join

MAJORETTES

Hours of practice are spent by these ambitious girls in working out new routines to present during the halftime of football and basketball games. The majorettes also march in parades with the band. Rancho should be proud of each of these girls for the fine job they do.

CHEERLEADERS

MISS BRAY and MRS. WOOD, Advisors

New Junior Varsity Cheerleaders were elected at basketball season to carry out the fine example set by the first J.V. Cheerleaders. They pitched in enthusiastically and worked out new cheers, chants, and routines to help root the boys on the team to victory. New uniforms greatly improved their spirits. It was another successful year for the J.V.'s with these four girls, and the student body behind them all the way.

Tuesday and Thursday nights of each week shouts from the gym can be heard. Who else could it be, but Rancho's cheerleaders. These are not just shouts, they are cheers which help to promote more enthusiasm and create better sportsmanship around the campus and wherever any representative of Rancho may go.

Besides cheering, they raised funds to buy new uniforms and finance a trip to a Cheerleader workshop. As a result the cheerleaders of Rancho High School are the most outstanding in Southern Nevada.

GIRL'S STATE

Outstanding members of the Junior class were selected to represent Rancho at Boys' and Girls' State held last June.

These students joined with others from high schools all over the state to form a mock government. Student officials were elected to govern Nevada cities and counties.

The delegates to this convention were given an opportunity to learn and appreciate how state governments function by actual participation. Among other things they are also taught how to use voting machines. Many long and lasting friendships are made during this week of learning and fun.

FUN CENTER BOARD

Constantly trying to improve recreational facilities for Rancho students is the aim of the Fun Center Board. Weekly dances after the games are planned and supervised by these members. The Fun Center was given a new paint job by this hard-working group which certainly improved the appearance of it and made it a more pleasant place to be. The Fun Center also featured combo music hoping to give the students better music to dance to. It is the hope of the Board that a better teenage recreation program will be installed in the near future.

ATHLETICS

Sportsmanship, teamwork, persistence and courage are only a few of the qualities acquired through participation in athletics.

Few other school activities prove as rewarding as athletics. Some of the many rewards are physical fitness, mental alertness, persistence, and those exciting moments of personal glory.

It is the combination of moments of gladness and joy that makes athletic events so memorable to members of the school and community.

MANAGERS — Left to right: ROSCOE BALTIMORE, SHELLY WRIGHT, LARRY PYATT.

The managers of the team are often overlooked, but their job of keeping the equipment in the best of shape for an athlete is only as good as his equipment.

From the team members and the Coaching Staff we thank you for a job well done.

Football Team, Students, and Faculty Members:

I would like to take this opportunity to express my sincere gratitude for the fine effort put forth by our "Fighting Rams," Nevada's 1958 State Champions.

I am deeply grateful to you students, cheerleaders, administration, and faculty members for your loyalty and support.

The success we attained was due to three important ingredients—quality, quantity, and spirit. The quality of our team was second to none in the nation. In quantity, a team is only as good as its strength on the bench and our reserves proved that they could fill in as veterans many times. Our spirit never died, it improved as the season progressed.

To you graduating seniors, I would like to say it has been a pleasure working with you, and I want to wish you success in whatever field you choose.

To you who are returning, do not become self-satisfied, keep the spirit of the "Fighting Rams" as it is now—above and beyond reproach. Carry on the fine spirit which makes Rancho High the best in the nation!

GO, GO, GO, GO! That is the National Saying of Managers here at Rancho. And it is certainly true of the basketball managers for they are constantly on the go, after dry towels, or trying to get some one's locker unstuck. Yes, the managers are an important part of the team.

COACH CHUCK RAZMIC

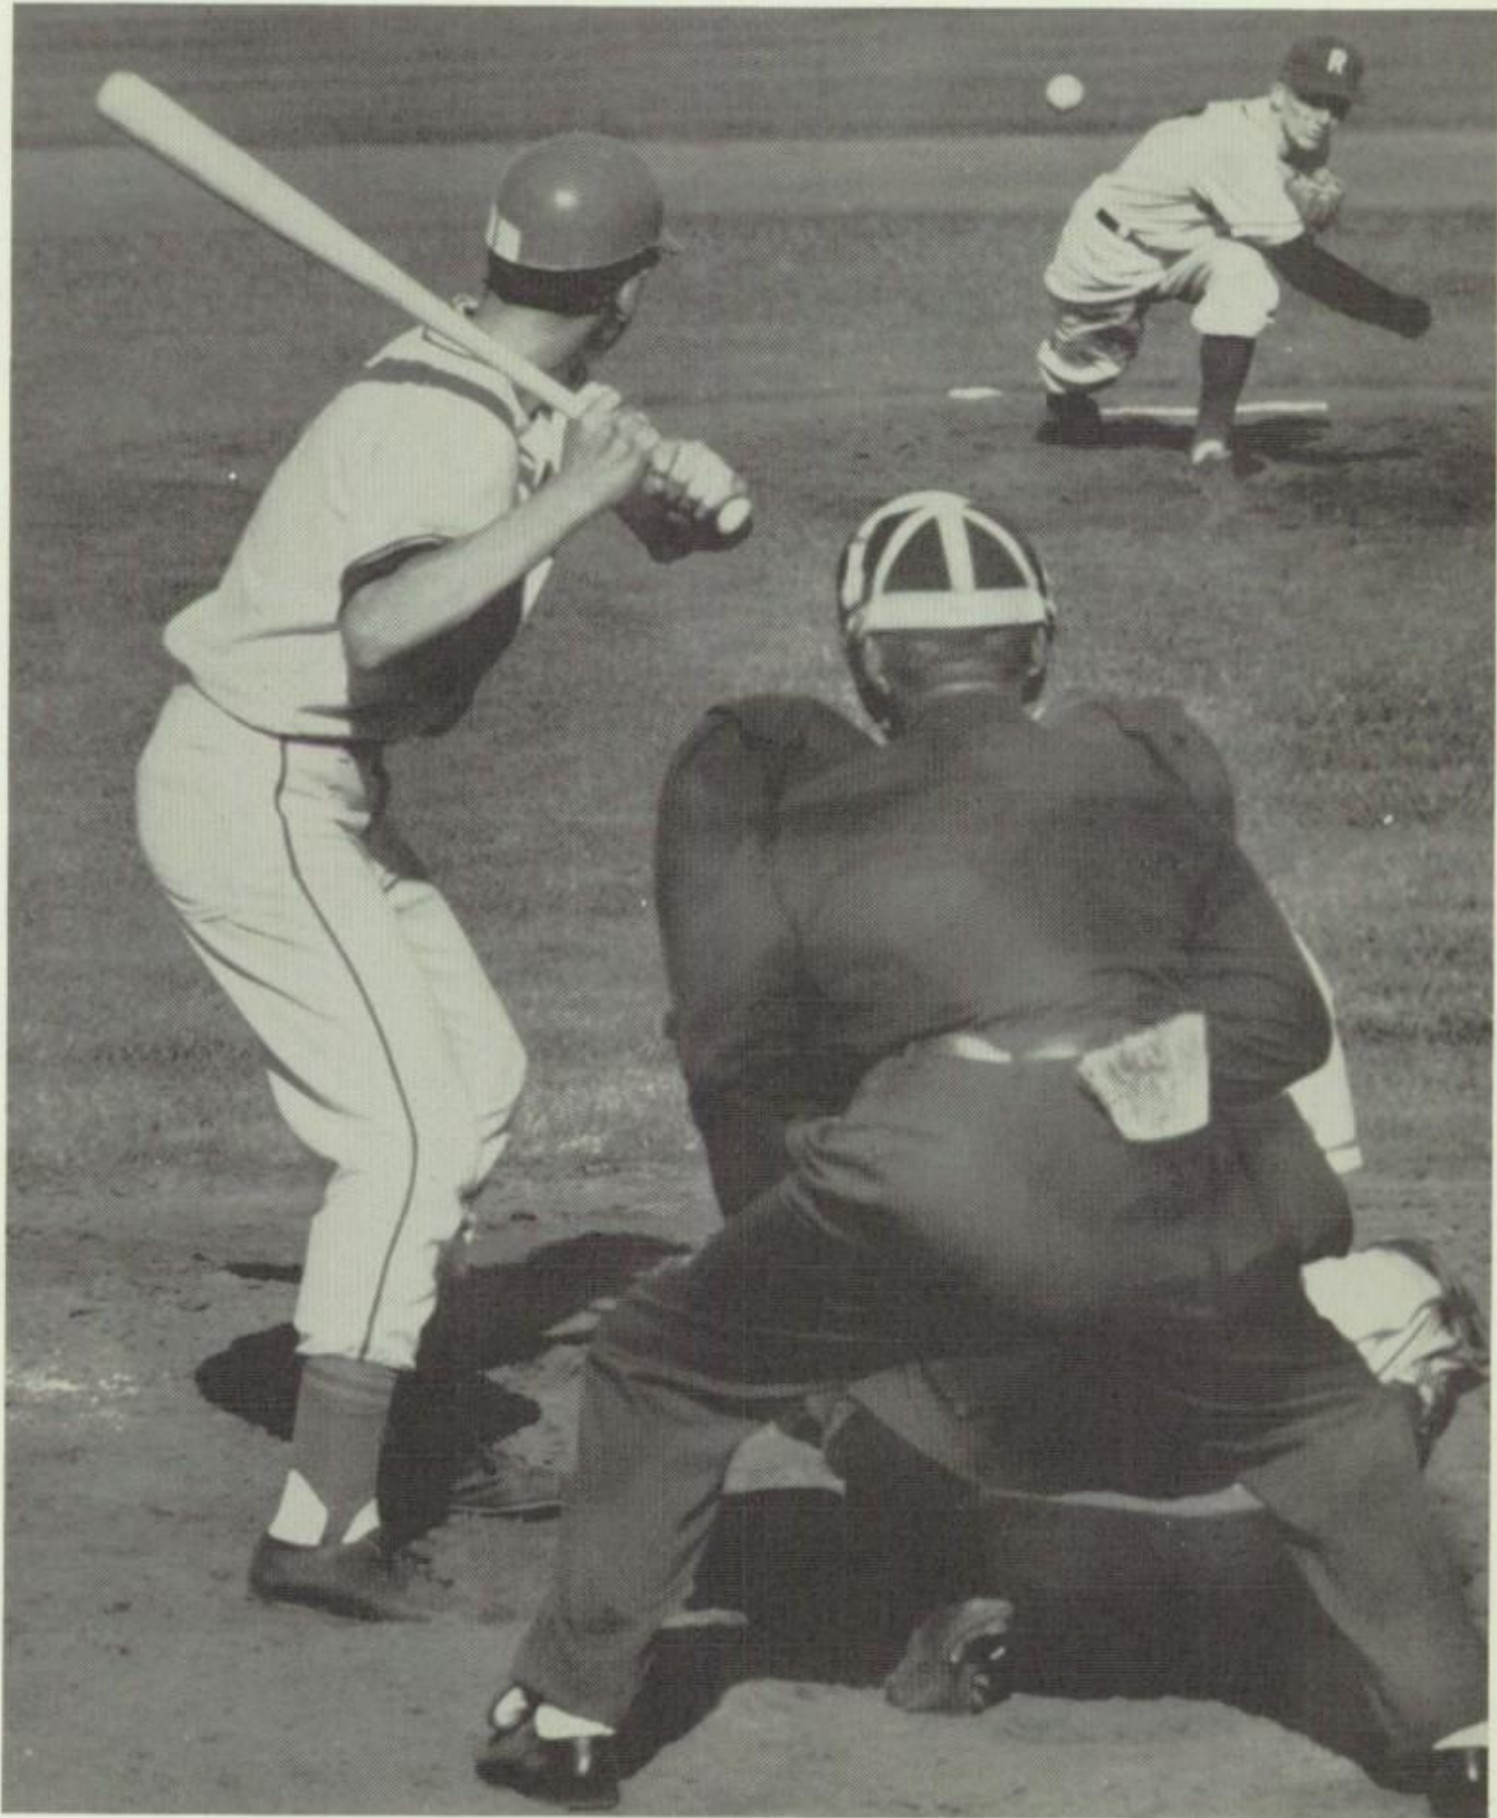

The members of the Freshman team gained valuable experience competing against other Junior High School teams. This experience will be immeasurable when the team members move up to the J.V. team.

CATCHERS: Leroy Wright and Jerry Lamb will handle the catching chores this year for the Rams. Both are returning lettermen.

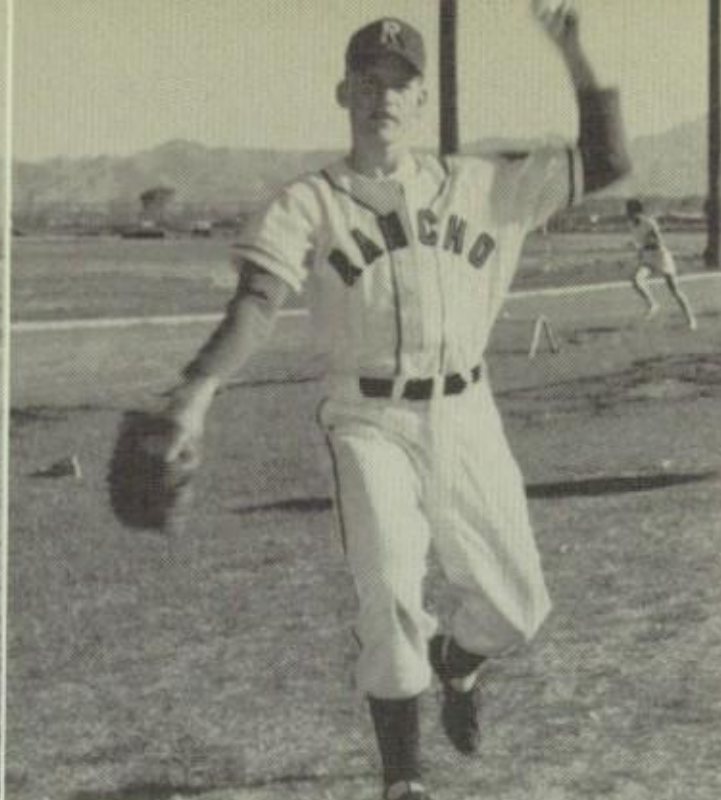

COACH TARTAN, COACH DAILEY

The picture was taken as the coaches were watching the first few days of baseball practice.

OOH! YA MEAT-HEAD! This is what the Coaches are probably thinking as they watch the first day of baseball practice. Coach Tartan is the new asst. baseball coach for the Rams.

BILL LOGAN
Senior

LANNY OREBAUGH
Junior

Coach Dailey and Coach Tartan are looking forward to another good season for the Rams. One of the reasons is that there are 16 returning lettermen this year. The four pictured on this page are the pitchers of last year when the Rams compiled an 8 and 6 overall record.

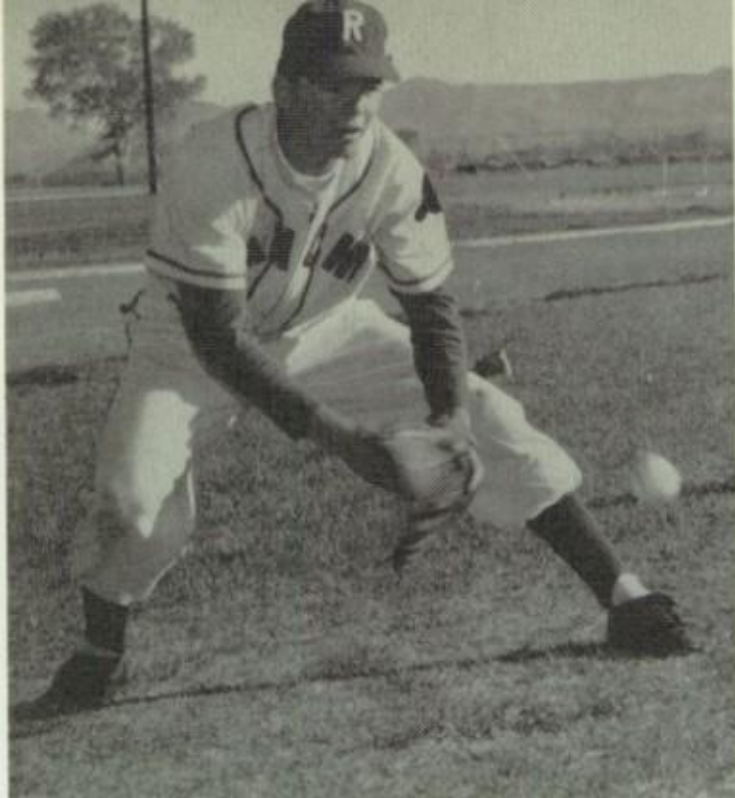

Lee Syphus won 3 and lost 1 for the Rams, Bill Logan won 4 and lost 2, Lanny Orebaugh won 0 and lost 1 and Dale Parsons won 1 and lost 1.

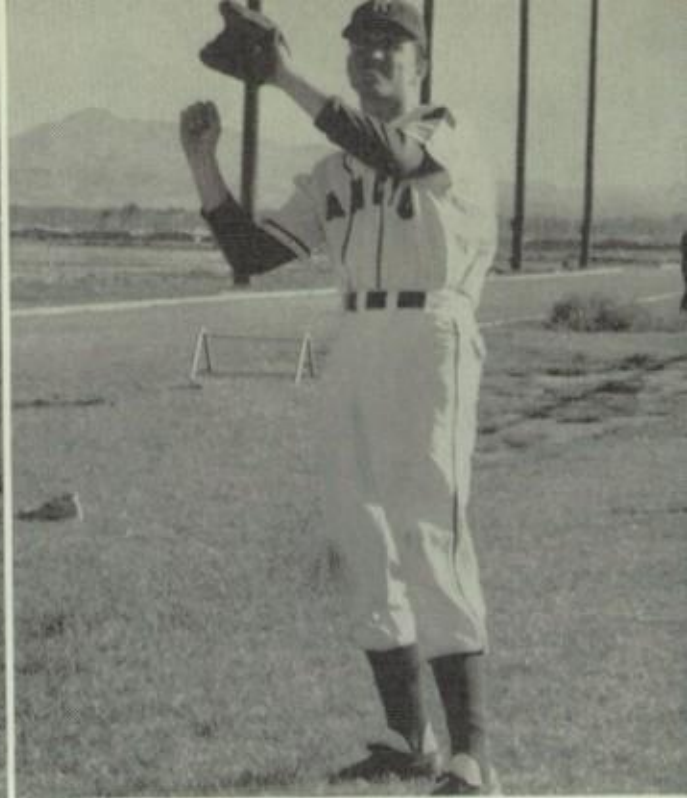

DALE PARSONS
Junior

LEE SYPHUS
Junior

BOB REED
Junior

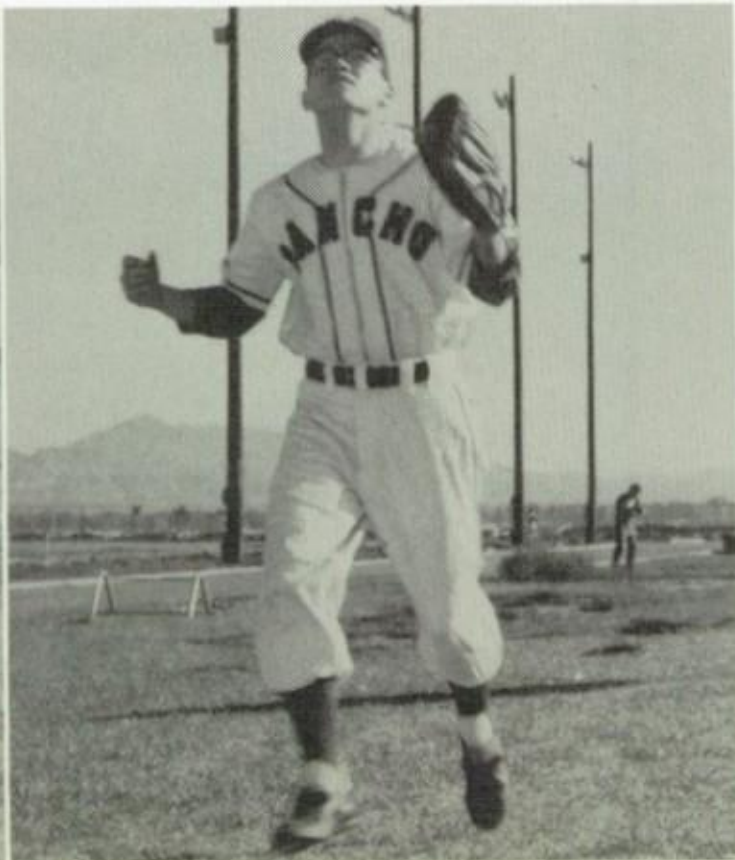

ROGER SIMONS
Senior

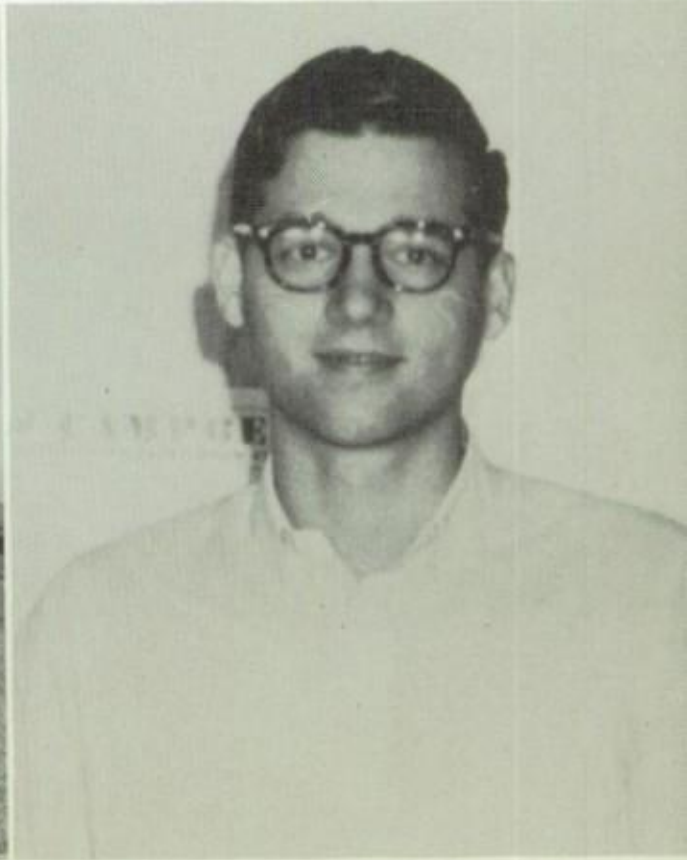

Doug Petty the starting first baseman, last year, will get plenty of competition from returning letterman Bob Reed. Doug was named to the Review Journal All-Star Team. Roger Simons another returning letterman will hold down the left field position, and Dave Rasmussen will make a strong bid for the vacancy left in right field by the graduation of Jim Pyatt, Dave is also a returning letterman.

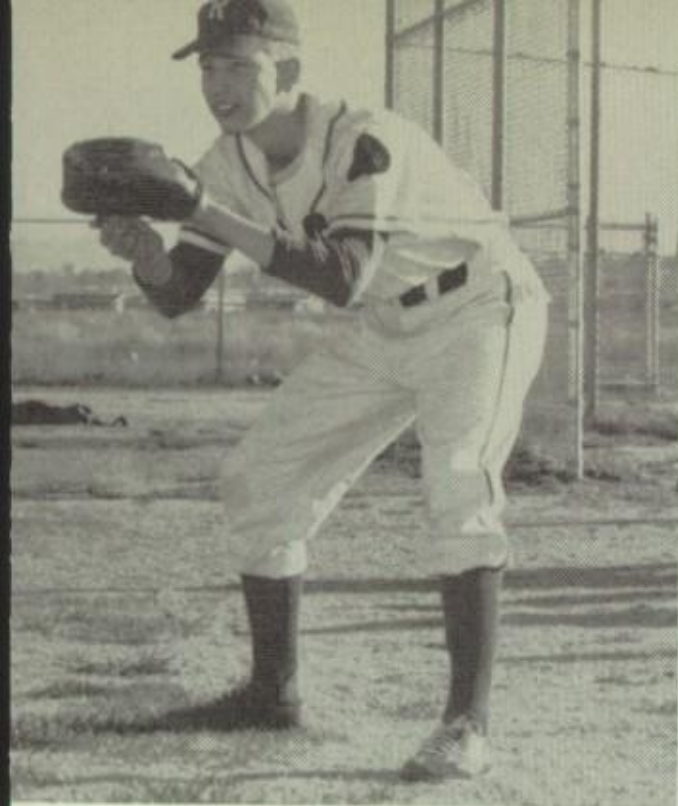

DOUG PETTY

DAVE RASMUSSEN
Senior

DALE STEWART
Manager

STEVE FLEMING
Junior

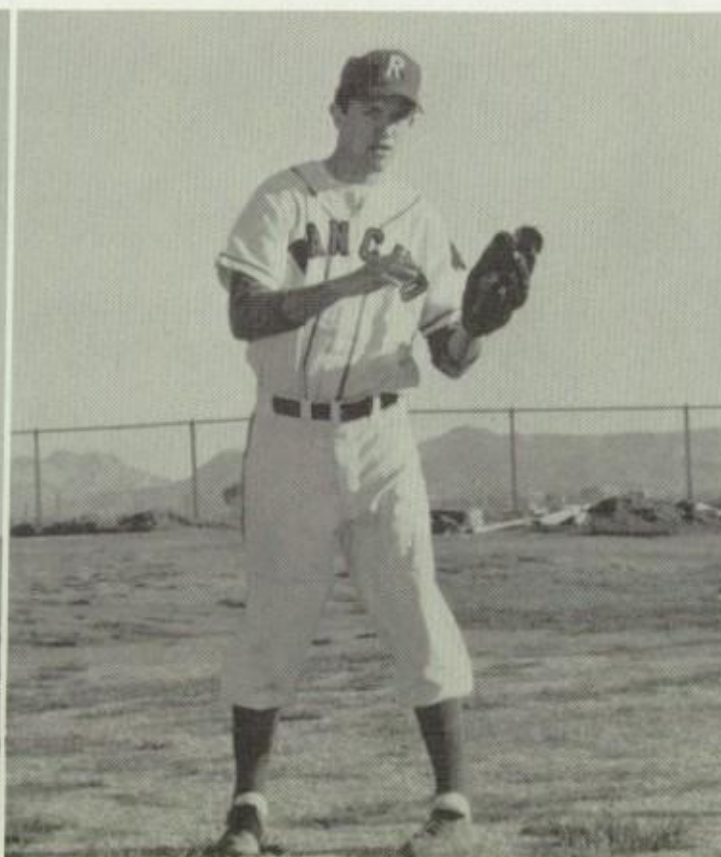

DICK HOOVER
Sophomore

Steve Fleming, will be back this year to back up Joe Dimarco at third base. Dick Hoover, another letterman, will be back to take over his shortstop position. Elmer Chowning will be playing left or center field, while Bill Freer, back from last year's team, will be in left or right field.

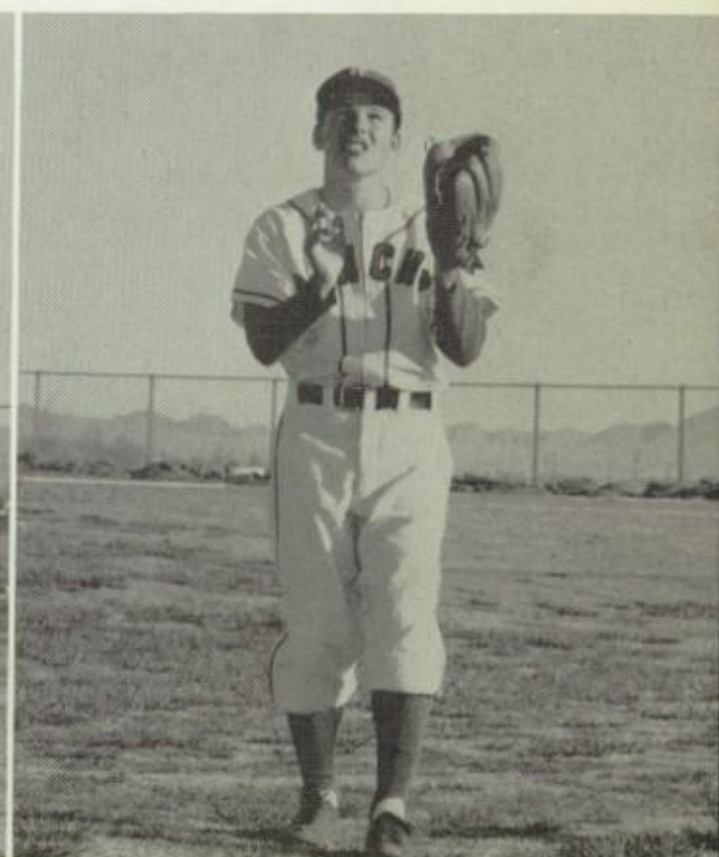

The Rams will have plenty of depth in both the outfield and the infield this year, this added experience may decide if the Rams take the conference title (let's hope that they do).

NICE TRY! Joe Dimarco is shown after he tried to catch a line drive during the Rancho-Boulder City game. Joe was outstanding playing third base and was named to the Review Journal All-Star team. Joe was also the captain of the team.

GOING FOR TWO. "Snapper" Hand is shown coming off the bag to complete a double play against Las Vegas High School. Rancho won over Las Vegas in this game, 5 to 3.

(Review Journal Photo)

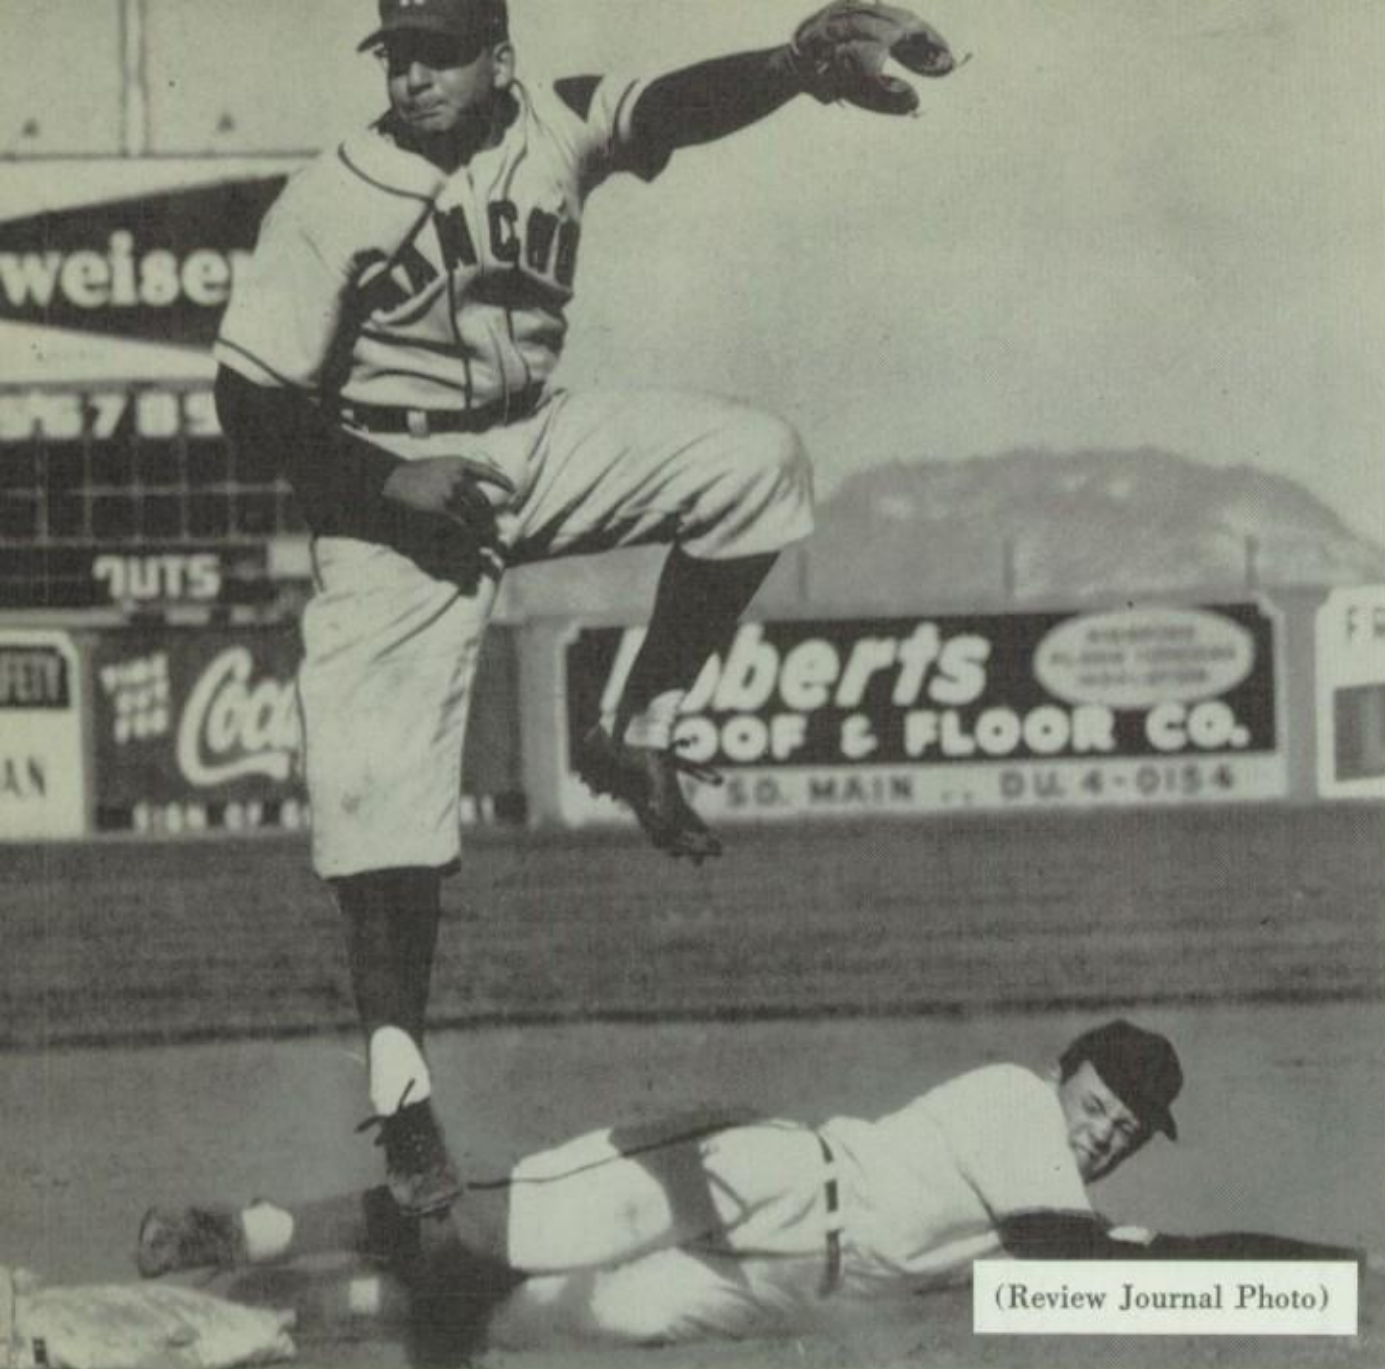

THEY'RE OFF! This picture was taken during the 220-yard sprint. Richard Hall is the 4th starter from the left. Richard took second in this event at the State Track Meet.

ROLAND MORTON
Senior

ROLAND MORTON: A returning letterman from last year's track team. Roland runs in the sprints and the relays.

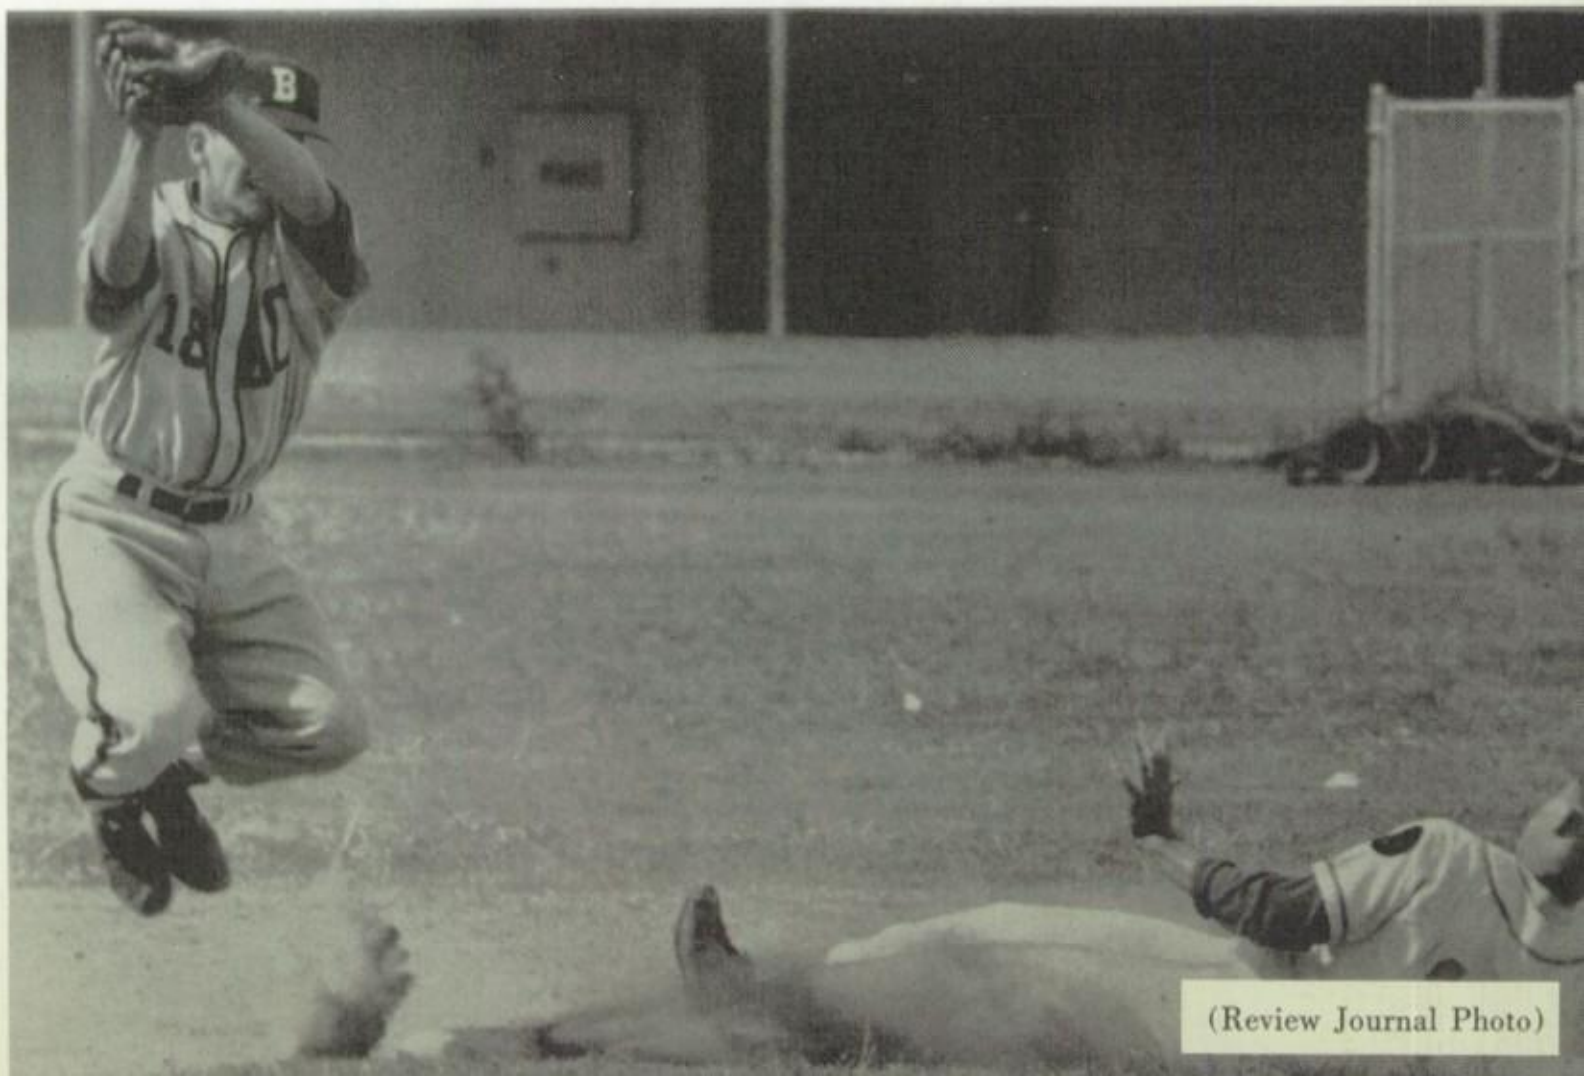

Lettermen not shown:
MARSHAL EVANS
ANTHONY WARD

SHUCKS! Joe Dimarco looks disgusted as he watches an overthrow go by as an unidentified player slides into third.

(Review Journal Photo)

SLIDE! Dick Hoover shows the form that made him a top base runner. Dick started at shortstop for the Rams last year when he was a frosh.

(Review Journal Photo)

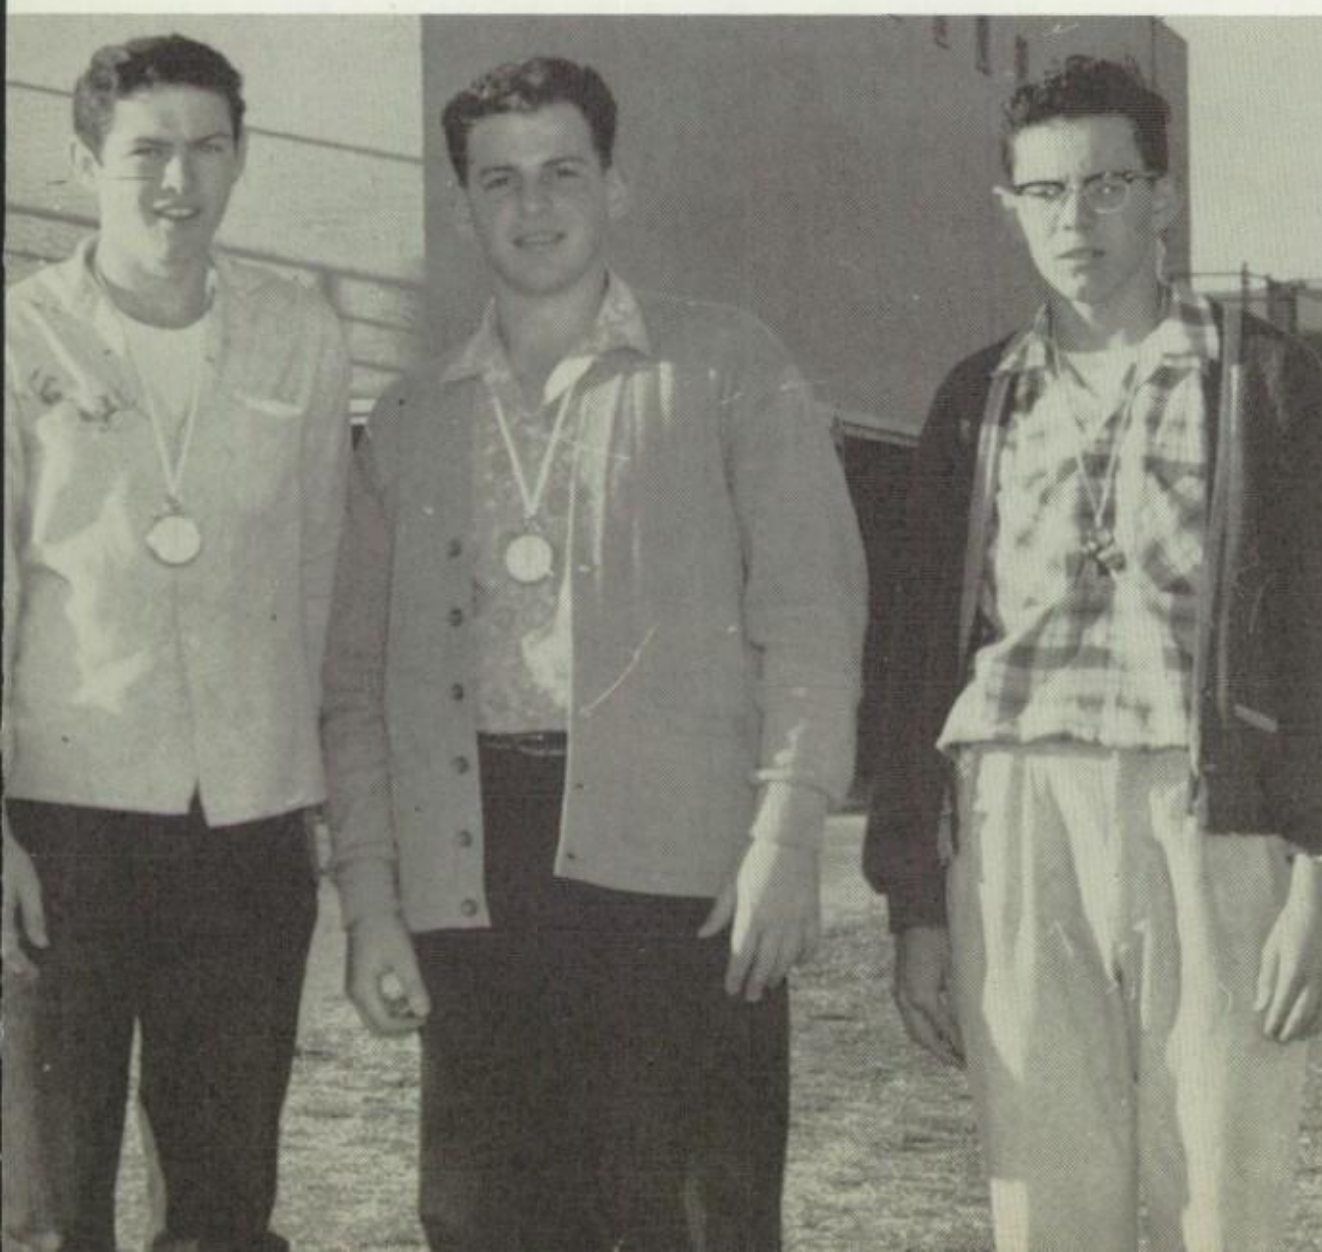

COACH R. E. TOBLER

COACH JOHN PAUL

Both Coach Tobler and Coach Paul are new coaches here at Rancho. Both Coaches come to Rancho with excellent records behind them, and they plan to make Rancho into one of the best track schools around, if not the best.

MANAGERS — Left to right: LA VOY LEAVITTE, MIKE GARTENBURG, JOHN HERBERT.

Once again I would like to thank the managers of the track team for the splendid job they are doing. THANKS from the Coaching Staff and the Track Team Members.

(Review Journal)

LOU ROSGEN shows the form that enabled him to take 3rd place in the State Track Meet.

LOU ROSGEN
Senior

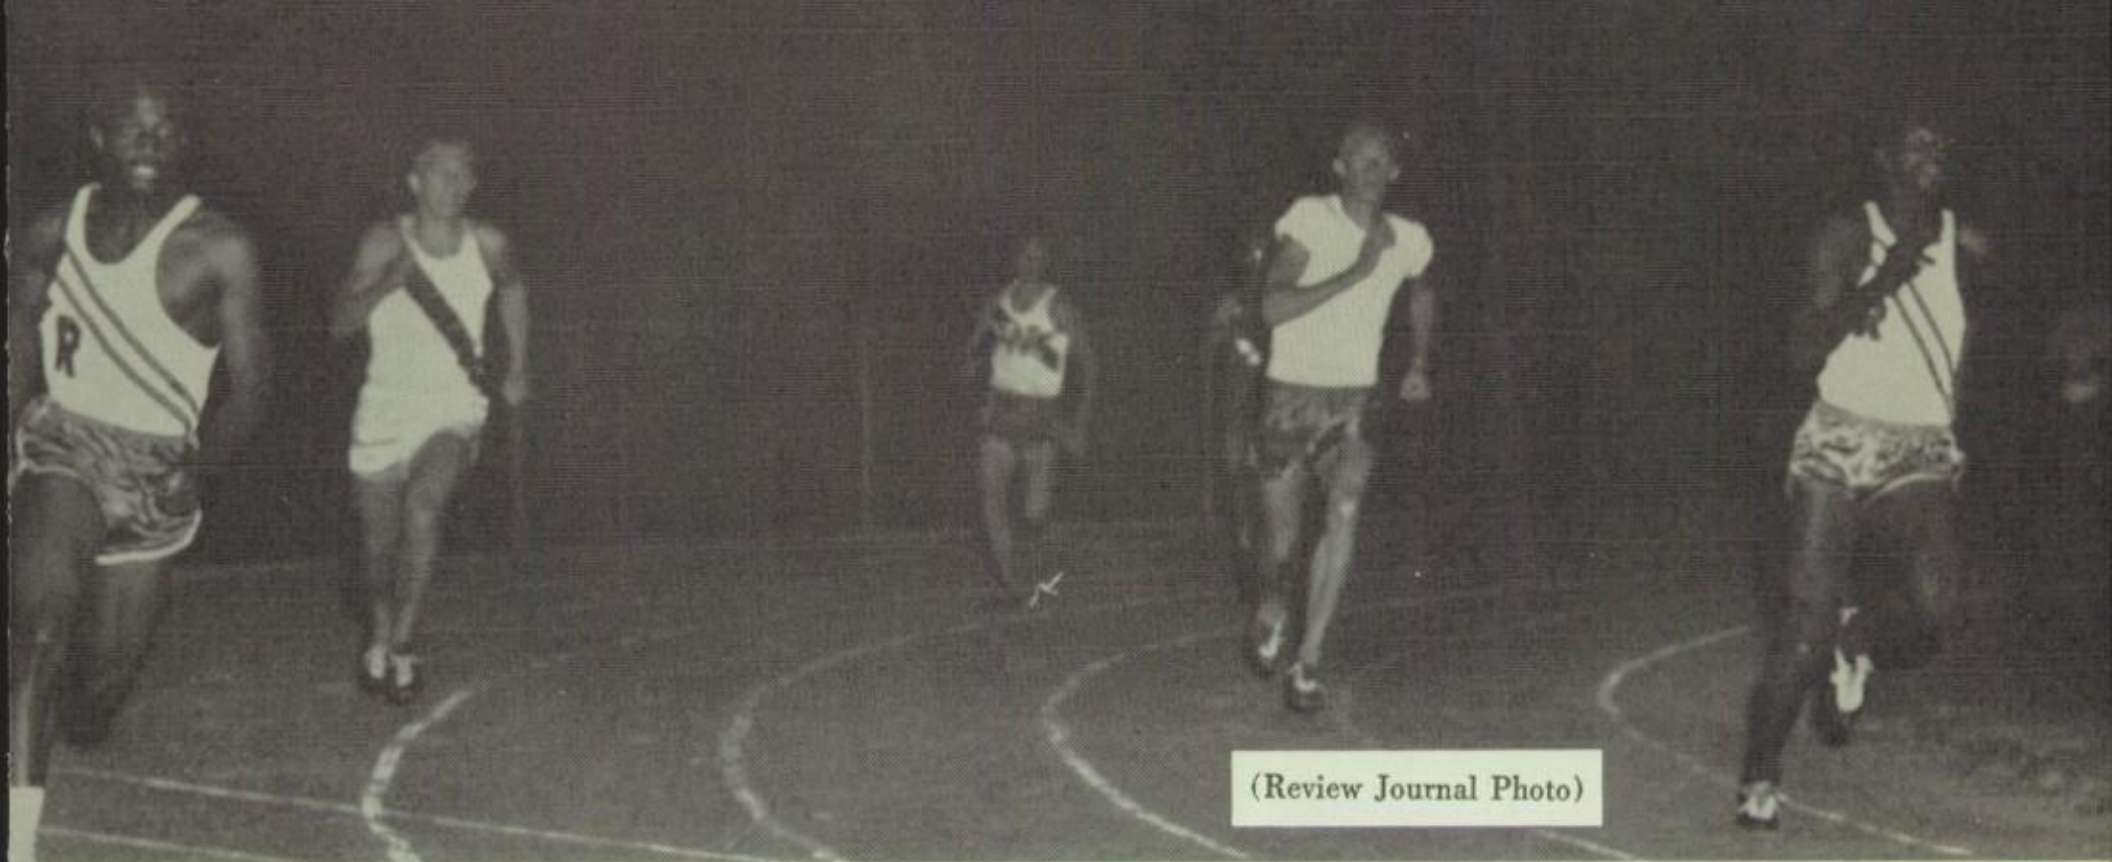

Lou Rosgen will be back this year to help the Ram Track team. He ran the 180 Low Hurdles and the broad jump. Lou is a letterman.

BOB RODERICK
Senior

Bob is the returning 880-yard sprint man. Bob holds the school record for the 880-yard run and will help the team pick up valuable points.

Best of luck

GOING, GOING, GONE! That is what Richard Hall is doing to the rest of the runners as he leaves them behind in the 440. Richard won the 440 in the State Track Meet and set a new record for the event, the time was 50.2.

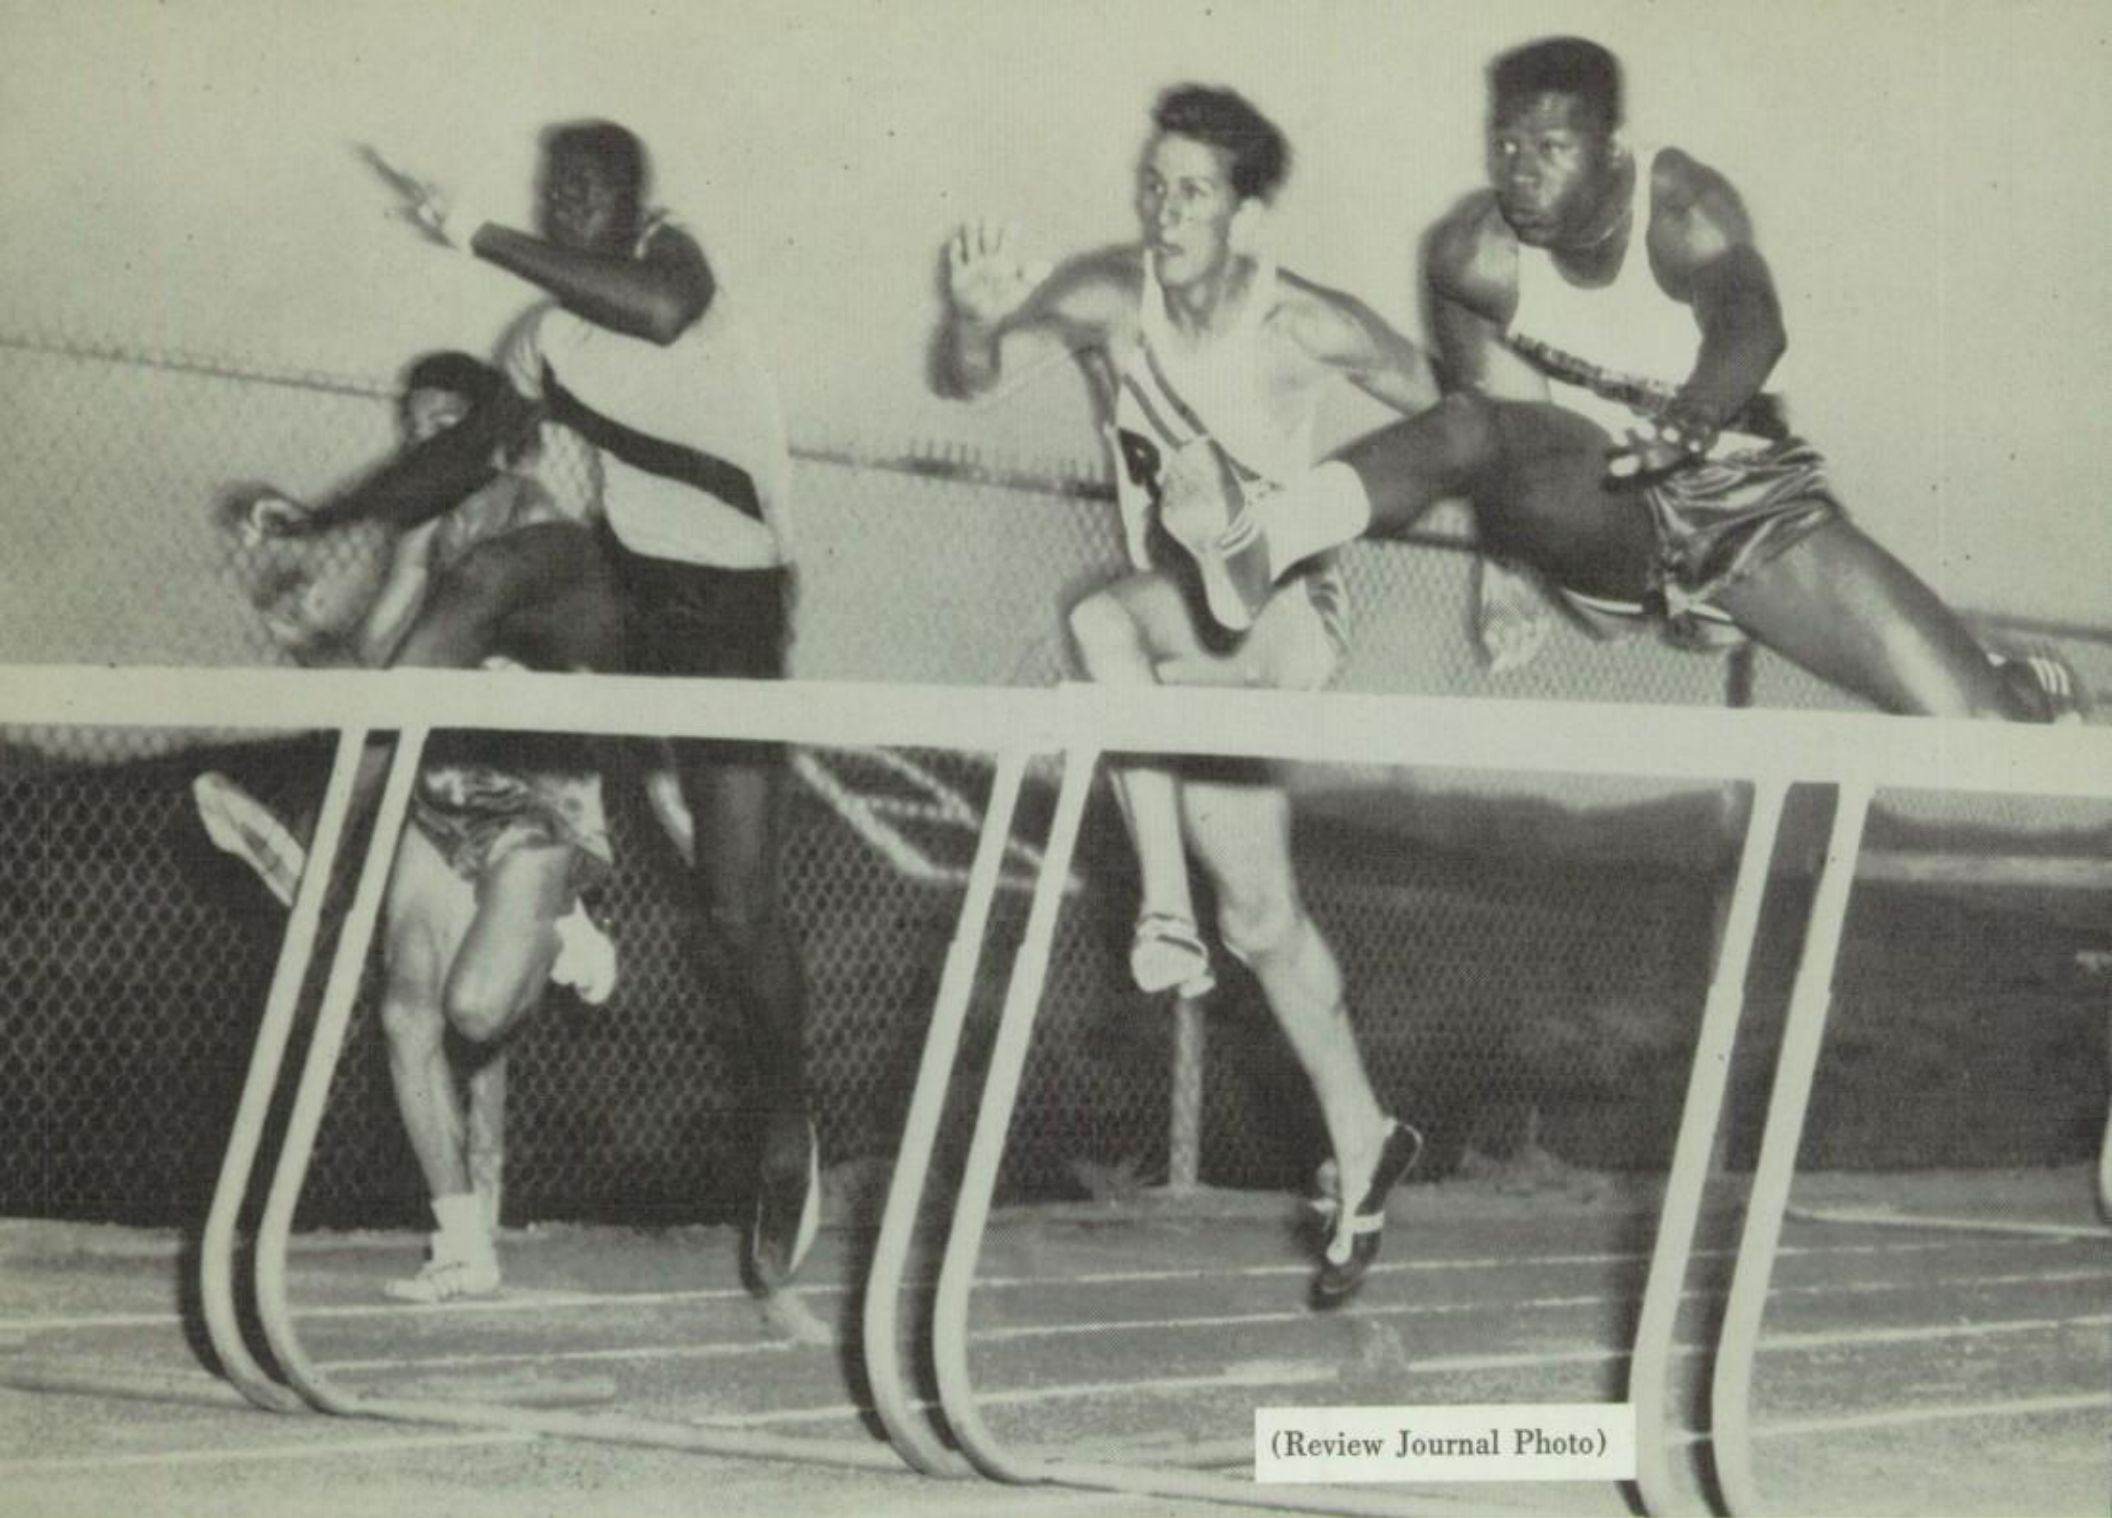

Bill Dedricks will be back this year to give the track team support in the pole vault event. Bill finished second in the State Track Meet.

ADVERTISING

Advertising is the backbone of the high school annual. It is the money gained from these advertisements that makes El Sol possible. Through this type of advertising these civic-minded merchants not only bring their products to the attention of the public; but also show an interest in the youth of the community and in their activities.

The biggest dividend of high school advertising is the promotion of understanding, good will and friendship between student and businessman.

Rick

It's been nice knowing you in Algebra and Drama. Best of luck in the future years.

Lynn

Rick,

Since you're the great speaker I can't say much. You're a great guy. It's been fun giving you "N's" in Algebra. See you next year.

Rick,

I really have enjoyed having you in Drama class. It has been nice taking you to plays & rehearsals. I hope that next year you will be an active Thespian. Best of luck in Jr. & Sr. years.

Love, Jamie

Rick,

It has been fun!! knowing you this year. I hope to see you next year. Good Luck in your drama & speech. Not a blast in study hall. It was fun in Mrs. Matting. Good luck always.

As there are people giving speeches in the
class I will only have time for a few
words. These words, I know, will be cheapened
by my overwhelming personality. A braggart?
No, this is only truth. Now I must get right
down to the basic material. This basic material
is namely, How's your mom, Ed? Taking a
long time am I? Not if you consider the blaring
this will have on your future! Good Luck
and like that, Jack. From that new kid -

ACKNOWLEDGEMENT

The 1958-59 EL SOL being a pictorial record of the year's events has taken the unselfish efforts of many people.

I would like to express my gratitude to: our principal, Mr. Paul Arenaz, for all his helpful suggestions; the photographers, Mr. Paul J. Richert and Mr. William Hearn, who are always willing to be of assistance with their cameras; Mr. Carl Smith for keeping the yearbook out of the red; Miss Beverly Nielson for her perseverance, patience, and timely advice; the staff for their co-operation and sacrificing of many extra hours for the publication of this book. I would like to give a special thanks to Brent Boozer (Art Editor) for adding the finishing and outstanding touches to our book. All these people, including students and faculty are responsible for the successfulness of this, the '59 edition of the EL SOL.

Sincerely,

A handwritten signature in cursive script that reads "Nevona Bunker". The signature is written in dark ink and is positioned below the word "Sincerely,".
